**RE:** S.N. 10/532,523  
Filed April 25, 2005

Ms. Kidwell,

In reference to our telephone conversation earlier today, please find enclosed a copy of our response to the Decision on Petition mailed September 1, 2006. As you can see, this document and its attachment of the new Declaration for Patent were mailed on March 28, 2007, as the mailing certificate on such indicates.

Furthermore, I am also including with this facsimile a copy of documentation faxed to the USPTO on January 19, 2007 regarding Power for this case, which apparently never made it to the Patent Office's file since the Notification of Abandonment was sent to the previous correspondence address and not the correspondence address attached to Customer Number 34872.

We look forward to receiving a Withdrawal of the Notification of Abandonment as soon as possible.

Should you have any questions or concerns, please do not hesitate to contact me directly at 302-683-8164. Thank you for your handling this matter in a timely fashion.
